

Ideation Phase

Empathize & Discover

Date	10/09/22
Team ID	PNT2022TMID40133
Project Name	Project - Smart Fashion Recommender Application
Maximum Marks	4 Marks

Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

It is a useful tool to help teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.

Empathy map for Smart Fashion Recommender Application
